WHY DO WE ARGUE?

James 4:1-5

Have you ever felt like the pictures below? Does anyone look happy? When we fight and argue with each other, no one wins. Jesus gives us the freedom to care about each other so that we can experience His joy. Sadly, we argue and fight over things that are only temporary. We argue because...

We want something that belongs to someone else

We say what we want to say without thinking about others

We are unwilling to share

We do things because we want to without thinking about how it will impact others

We are feeling sad

We are feeling angry

DRAW A PICTURE

Jesus gives us lots of ways to solve our disagreements that glorify Him. Draw a picture of a better way to communicate with others when you're feeling angry.
