

# Help Us Reconnect

Fall, 2022

Church Family,

Over the years, thousands of Seventh-day Adventists have made The College Church their church home. In the 'great Advent movement' many have come and gone, and sometimes in that process contact is, unfortunately, lost. On our membership list we have 200+ names with no contact information, and we really would like to reconnect with these members on some level. If you see a name you recognize and/or know where they now live, please share any information you can on this sheet. Then place it by the offering box at the rear of the sanctuary or slide it under the office door. You can also contact us at [office@wearecc.net](mailto:office@wearecc.net) or 978-368-2130. It would be very helpful as we try to reconnect. Thank you!

In Christ, *Pastor Rom & the CC Elders' Team*
