

GROW TOGETHER!

Are you passionate about something? Do you love to create, explore, and engage in a favorite activity? Then lead a College Church grow group!

Our groups have been incredibly diverse: soapmaking, auto mechanics, essential oils, bowling, songwriting, Bible journaling, chalk painting, technology, artisan bread-making, and floral design, to name a few.

To lead a group, please write your area of interest below and the time that works for you, or fill out the form at www.wearecc.net/grow-groups. We're only looking for a limited commitment that suits your schedule and interests.

We plan to run the groups in the fall, as usual, but since the COVID restrictions will be lifting soon, if you want to run one this summer, we'd be happy to hear about it.

This is a way to connect to each other, grow, and provide opportunities for evangelism. Get involved!

Groups I Can Lead:

Day/Time:
